U.S. FIG. 1  
CLASS 433  
379  
MAY 1907  
A. M. BROWN

卷之三

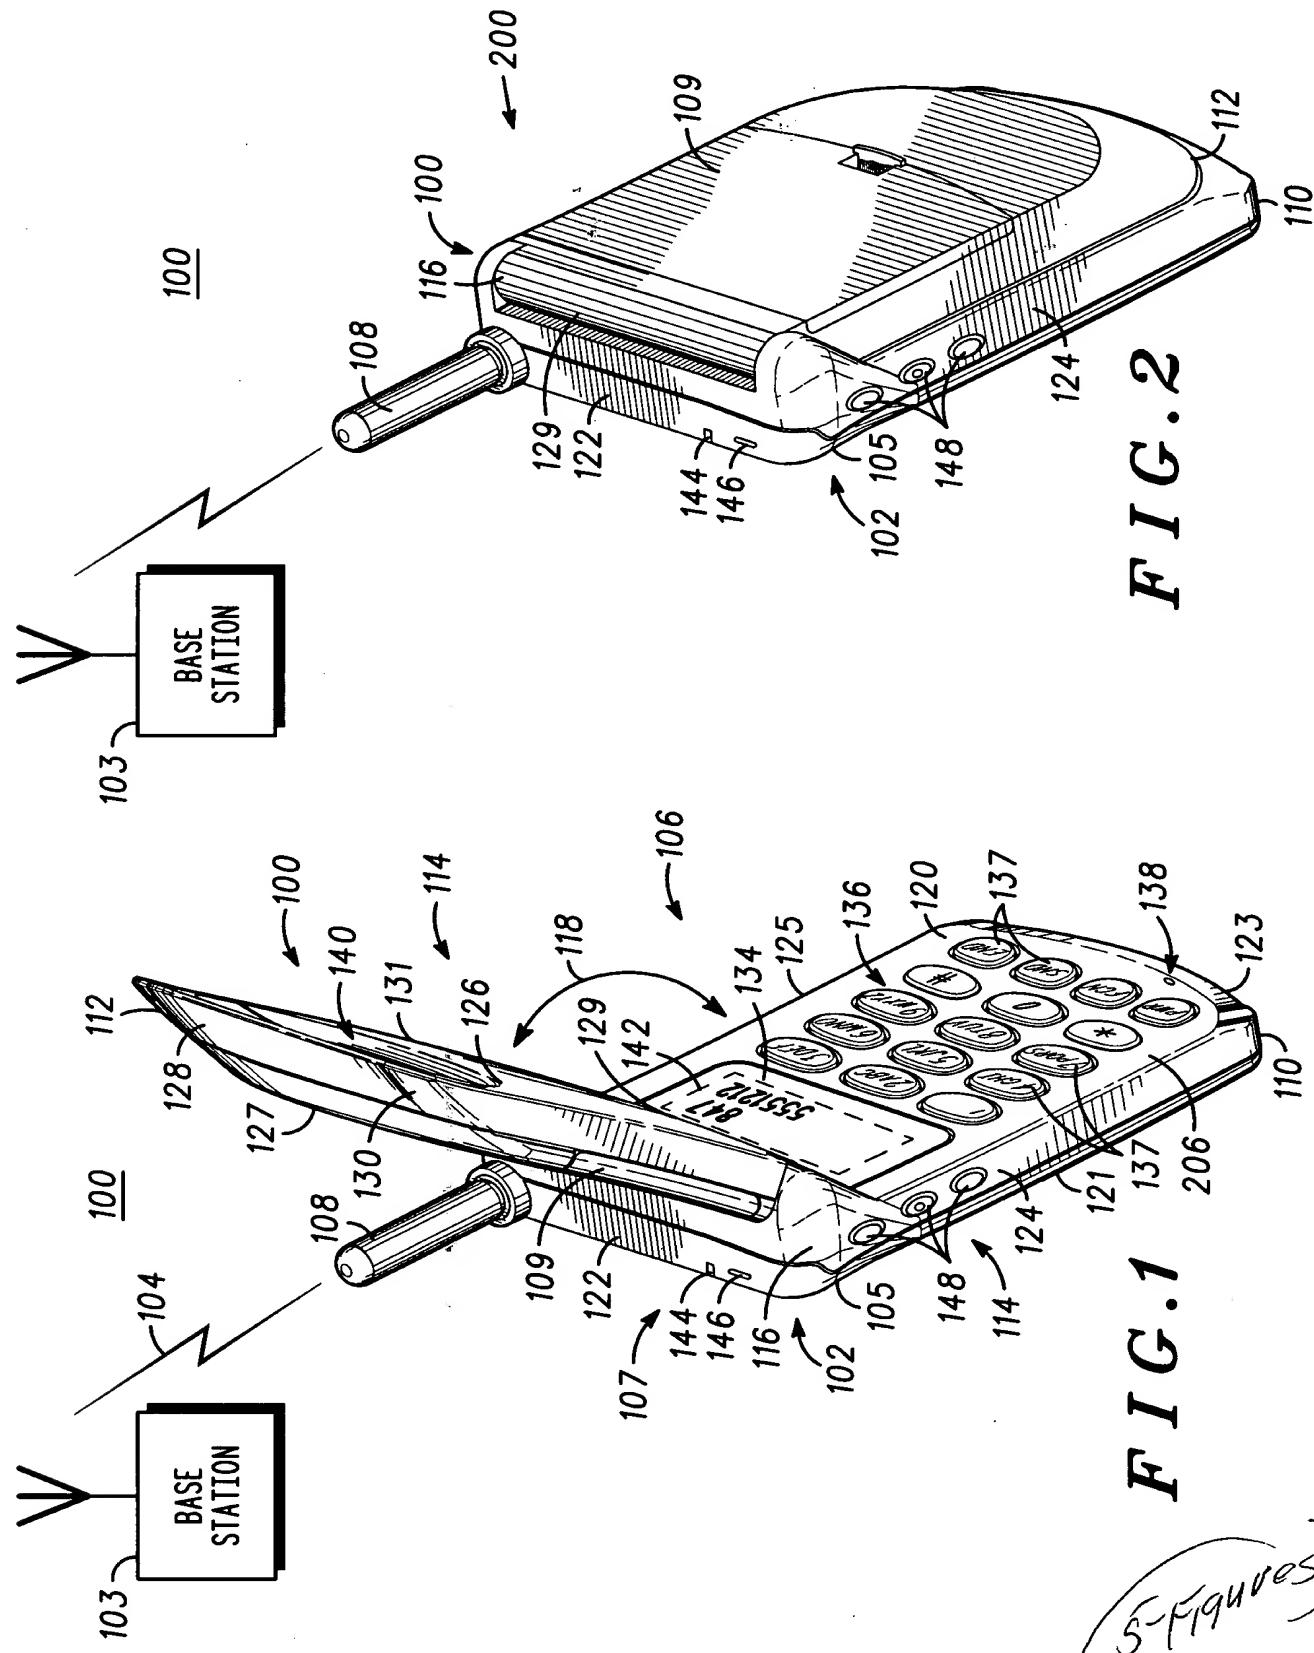

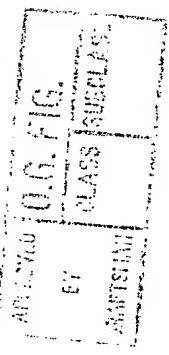

FIG. 1

A line drawing of a remote control. Callout 138 points to the top edge of the remote. Callout 123 points to the right edge. Callout 137 points to the left edge. Callout 206 points to the bottom edge.

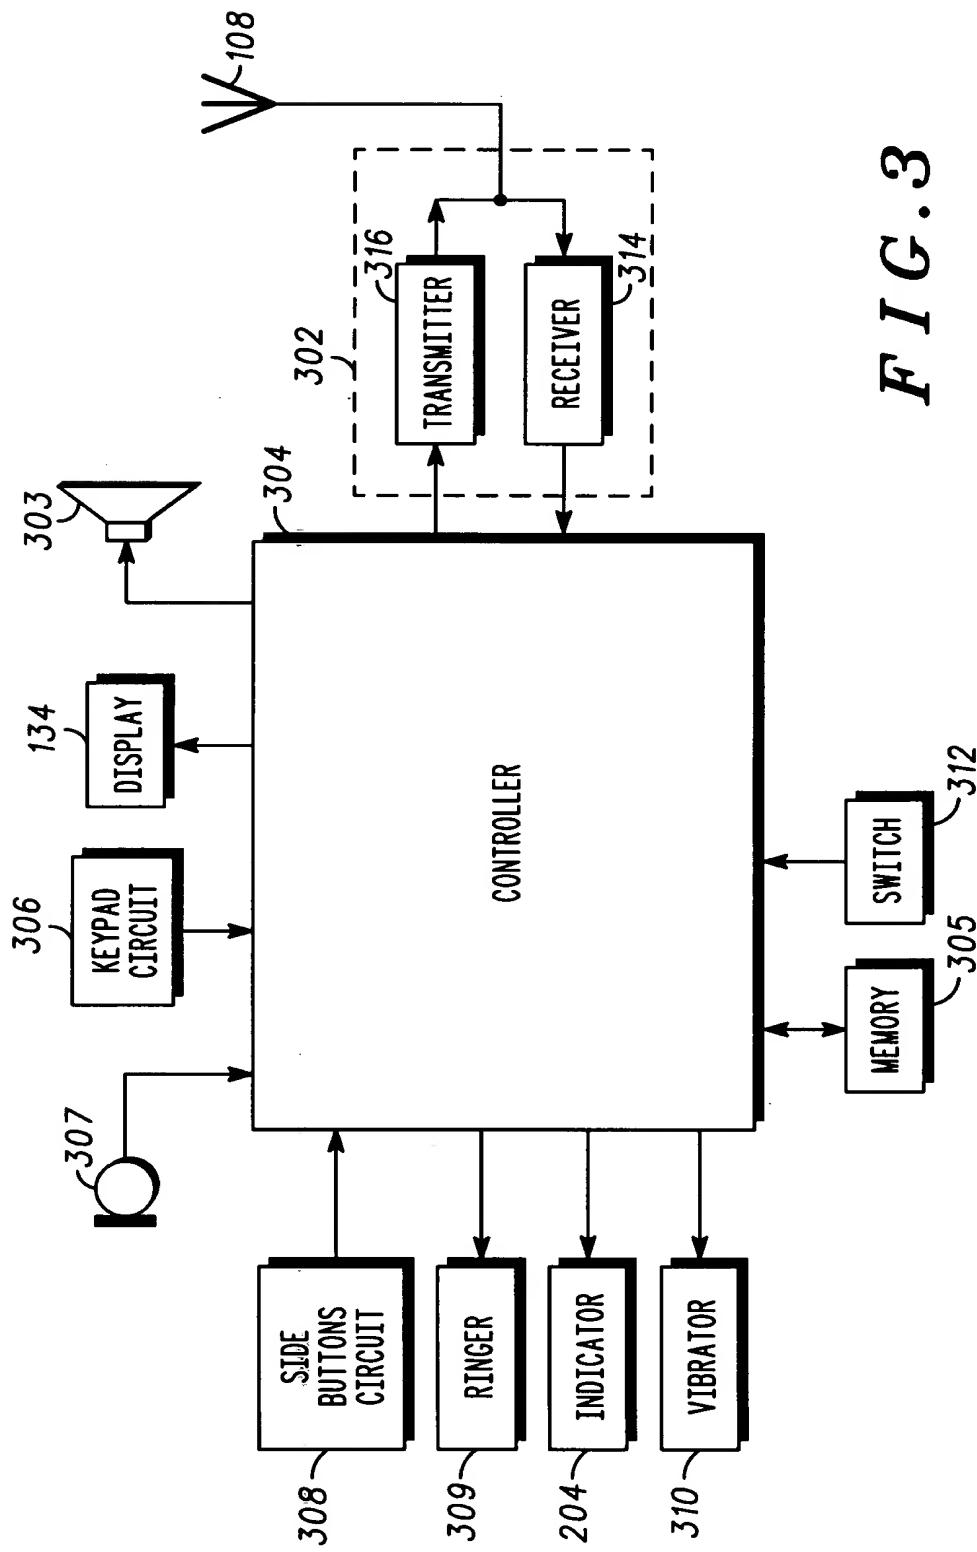

A technical diagram showing a corner bracket. The bracket is L-shaped, with a vertical leg on the left and a horizontal leg on the right. A curved line connects the two legs. The number 110 is written near the horizontal leg, and the number 112 is written near the vertical leg.
